<b>PhD / MPhil / MSc by Research (please state):</b>		
<i>Where did you see or hear about our courses?</i>		

---

**Personal Statement:** You must submit a personal statement of up to 500 words explaining how the course for which you are applying is of interest to you, how it fits into your career plans and why you believe you are qualified and prepared to enroll on your chosen course. If there is not sufficient room on the University Application Form, please attach extra sheets to the University Application Form. If your degree subject is in a different subject please outline any experience relevant to the proposed MSc.

### **Course / Programme specific details:**

**PhD Applicants, MSc by Research:** If you are not applying for an advertised project, you must include a Project Proposal. This must include a provisional title, an introduction to set the context and clear identification of aims, objectives and outcomes. This will form a key component of your application. This should be on separate sheets attached to this form.

**MSc Countryside Management:** Please list below your involvement in Countryside Management – for example voluntary activities with relevant organisations, e.g. BTCV, Groundwork, etc or your current employment. Continue on a separate sheet, attached to this form, if necessary.

### **Additional guidance and notes**

*To ensure that your application is dealt with promptly, please check that you have addressed the following issues carefully when filling in the generic MMU Postgraduate Application form. You may continue on additional sheets if you do not have sufficient space. Your application may be delayed if these sections are not completed fully whilst additional information is sought from you.*

*Ensure that the sections **Fees Status, Disability** are completed on the University Application Form.*

**Education and Qualifications:** *Ensure that you have given full details of degree(s) or other higher education qualifications, obtained or pending, including the awarding university or college*

**Financial Arrangements:** *Ensure that you have indicated how you expect to be financed during your studies.*

**Employment:** *Ensure that you have given full details of present and previous employment that is relevant to your intended course or highlights relevant experience in lieu of formal qualification.*

**Residency:** *i) EU residency does not imply eligibility for EU funded places. ii) Applicants who are not EU citizens are reminded that they are responsible for checking their residency status and any visa requirements*

**Referees:** *Please include the names of **two** referees **or** signed references from **two** referees on headed notepaper. Ideally both referees should be able to supply academic references. Alternatively one should be from your present / recent employment. Please include their full contact details.*
